

With its abundant nature and traditional culture, Ishikawa Prefecture can boast many valuable tourism resources. In 2013, 21,632,000 tourists visited the prefecture.

The beautiful coastline of the Noto Peninsula displays a marked contrast between the rugged scenery along the outer coast and the tranquil waters of the inner coast. Wakura Onsen, a famous hot spring district overlooking Nanao Bay, annually sees about 1 million visitors who come to enjoy the local hospitality and food.

Kanazawa, the capital city of Ishikawa, has retained its old castle-town allure. In the center of the city is Kenrokuen Garden (one of Japan's three most beautiful gardens), Kanazawa Castle Park, and a district of old samurai houses. Here, visitors can also enjoy a variety of traditional crafts, such as Kaga Yuzen silk dyeing. The city is also the birthplace of many great modern authors such as Kyōka Izumi, Shūsei Tokuda, and Saisei Muro.

In Southern Kaga, at the center of Hakusan National Park, lies Mt. Hakusan, one of Japan's three holy mountains, which boasts a vast forest and high alpine vegetation. At the foot of the mountain are many ski resorts with magnificent views and well-equipped facilities complete with abundant hot springs.

The four hot spring towns of Yamanaka Onsen, Yamashiro Onsen, Katayamazu Onsen, and Awazu Onsen make up the Kaga Hot Springs District, which, along with Wakura Onsen, is one of the most well-known hot springs districts in Japan. Famous for their comfortable accommodations and high-quality customer service, these hot springs attract over 2.07 million visitors every year. The hot springs district and the surrounding area form a major tourist destination, which also offers a number of other attractions, such as the Echizen Kaga Coast Quasi-National Park, Natadera Temple, golf courses, and a variety of traditional craft industries like Yamanaka lacquerware and Kutani pottery.
